

BMC Weekend Construction Work and Parking Changes June 25 — 27

Weekend construction work to complete the removal of BMC’s Yellow Tube will take place over the weekend of **June 25—June 27**. During that time, the Albany Street ambulance bay will shift from its current location.

- Emergency Ambulances will park on Shapiro Drive.
- Non-Emergent and patient transfers will park in front of the Menino Pavilion on Harrison Avenue.

The parking shift dates and times are provided below:

Weekend Dates	Start of Parking Shift	End of Parking Shift
Saturday, June 25 Sunday, June 26 Monday, June 27	June 25 @ 5:00 am	June 27 @ 6:00 am

It is important to note that Albany Street will remain open for traffic over the weekend.

In preparation for these temporary parking shifts, BMC has been planning and testing the ambulance fit with assistance from BEMS. During the temporary parking shift, extra support resources will be available:

- Additional BPD details will be on Albany Street
- Additional Public Safety staff will be on Shapiro Drive
- Additional RN and registration staff will be working during transition times at both locations (first and last hour of staffing switch)
- Directional signage will be installed around the hospital
