

Metropolitan Boston Emergency Medical Services Council

2017 Updated Region IV EMS Awards Criteria

The Metropolitan Boston Emergency Medical Services Council continues to recognize the many contributions made on a daily basis by pre-hospital and hospital personnel involved in Emergency Medical Services. In recognition of these accomplishments the MBEMSC would like to acknowledge those individuals who have made a positive contribution to the field of EMS within Region IV. To recognize these accomplishments, MBEMSC is planning to hold an awards banquet to honor our peers and their contribution to our EMS system on Thursday, November 9, 2017 at the American Legion Post 440, Newton. The entire Region IV EMS community is eligible, not only to receive an award, but also to nominate a fellow professional.
